COMPANY DESCRIPTION:

Marble, a beautiful material unalterable over time that has allowed masterpieces created in antiquity to reach our time in all their beauty, still retains all its charm without being subject to fashion. Our achievements range from the most detailed projects: the creation of marble fittings for villas and private homes, custom-made furniture for the most demanding clients, supply of marble for large private and public works such as the Astana Opera House (**Астана Опера**) in Kazakhstan, liturgical adaptation of buildings of worship of considerable historical-architectural value with the creation of marble altars, ambo and seat and the restoration of marble elements.

COMPANY DESCRIPTION:

DUCALE MARMI, a partner of the Margraf Spa group, is among the leading companies in the processing of custom marbles in Sicily, extracted in its own quarries such as PIETRA DUCALE®, the highest expression of Perlato di Sicilia. PIETRA DUCALE®, appreciated for its elegance and uniformity, is accompanied by outstanding mechanical-physical properties that allow its use for any type of project, both for indoor and outdoor applications, in which DUCALE MARMI has specialized, through the development of different surface textures, with CE Marking, in accordance with the Uni EN 1341:2003 standard, applicable on slabs for pedestrian and vehicular use. DUCALE MARMI, thanks to its partnership with the Margraf Spa group, is also rightfully among the leading companies in Sicily in the sourcing and processing of natural stone from all over the world.
